

## ORIGINAL DEVIL'S FOOD CAKE

- 1 knowledge of good and evil tree
- 1 God Command "Do Not Eat"
- 1 name brand Satan
- 2 rebellious humans
- 1 sugar-coated question ("Did God really say?")
- 1 dark chocolate lie ("You will not die")
- 1 black blasphemy ("God knows you will be like Him")

This is a very old recipe that has been inherently passed from generation to generation once all of the ingredients were put into a "grave" pan. You must carry this Devil's Food recipe with you until you follow the recipe for a death-defeating remedy: Jesus' "Victory over Death" Resurrection Elixir.

NOTE: product descriptions were paraphrased from God's Recipe Book at Gen. 3.
