Recipe for Disaster—Warning: God does not recommend this recipe

### Ingredients:

1 innocent but God-fearing individual, devoid of Christian doctrines or Bible knowledge  
1 knock on the door  
1 false teacher

Directions: Add each ingredient in the order given and mix together. Pressure cook this mixture in your living room or kitchen for six months or until fully seasoned and thoroughly cooked. The end result is two false teachers.

### Helpful Hints:

- 1.) This mixture often multiplies itself time and again.
- 2.) Each recipe, however multiplied, serves one: a man-made religious organization.
